BRIEF DESCRIPTION OF THE COMPANY'S WORKING DURING THE YEAR AND THE STATE OF COMPANY'S AFFAIRS

The total production of Denim fabric during the year under review was 107.05 million meters as compared to 117.18 million meters during the previous year. The Company has achieved a sales turnover of ₹14752 lakh during the year under review as compared to a turnover of ₹ 18013 lakh during the previous year.

DIVIDEND

In view of the loss, your Directors regret their inability to recommend any Dividend for the year under review.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India is a major denim producing country in the world with a capacity of about 1500 million meters per annum. As a result of this large capacity the denim fabric manufacturers will continue to be under pressure due to stiff competition and margin pressures. About 20% of the capacity continues to be under-utilized due to the fact that the fabric capacity is much more than the garmenting capacity in the country.

FUTURE PROSPECTS

The Denim fabric industry is a cyclical industry as a result of which there are periods of large over capacity. The present down turn is expected to be prolonged for a few more years after which the industry is expected to stabilize. The Denim Industry has a long term potential due to the versatile fashion appeal, growing income levels and untapped semi urban population.

RESERVES

No appropriations were made to any specific Reserves for the year under review.

CORPORATE GOVERNANCE

A Report on Corporate Governance along with the Auditor's Certificate regarding Compliance of the conditions of Corporate Governance pursuant to Regulation 34(3) of SEBI (LODR) Regulations, 2015 is annexed hereto.

1. In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
2. Appropriate policies have been selected and applied consistently and have made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2018 and the loss of the Company for the year ended March 31, 2018;
3. Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance

with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

4. The annual accounts have been prepared on a going concern basis;
5. Internal financial controls to be followed by the Company have been laid down and that such internal financial controls are adequate and were operating effectively; and
6. Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems are adequate and are operating effectively.

AUDIT COMMITTEE

The Company has constituted an Audit Committee which presently comprises of the following Directors viz. Mr. N.R. Joshi – Chairman, Mr. D.N. Singh, Mr. H D Ramsinghani and Mr. R G Kulkarni. SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Rainbow Denim Limited
Village: Chaundheri
P.O. Dappar, Tehsil: Derabassi
Dist.: Mohali, Punjab

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by RAINBOW DENIM LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the RAINBOW DENIM LIMITED'S books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by RAINBOW DENIM LIMITED ("the Company") for the financial year ended on March 31, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) (Amendment) Regulations, 2013.
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations 2014 - Not Applicable as the company has not provided any share based benefits to the employees during the year.
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 - Not applicable as the company has not issued any securities during the financial year under review.
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and Chapter V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Not applicable as the company has not issued any debt securities during the financial year under review.
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - Not applicable as the company

is not registered as Registrar to an Issue and Share Transfer Agent during the financial year under review.

- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - and the amendments thereof - Not applicable as the company has not delisted any securities from any stock exchange during the financial year under review.
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 - Not applicable as the company has not bought back any of its securities during the financial year under review.
- (vi) The major provisions and requirements have also been complied with as prescribed under all applicable Labour laws viz. The Factories Act, 1948, The Payment of Wages Act, 1936, The Minimum Wages Act, 1948, The Payment of Bonus Act, 1965, Industrial Dispute Act, 1947, Employee State Insurance Act, 1948, The Employee's Provident Fund and Miscellaneous Provisions Act, 1952.

Independent Auditor’s Certificate on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To the Members of
Rainbow Denim Limited**

1. The Corporate Governance Report prepared by **Rainbow Denim Limited** (“the Company”), contains details as stipulated in Regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“the Listing Regulations”) (“applicable criteria’) with respect to Corporate Governance for the year ended March 31, 2018. This certificate is required by the Company for annual submission to the Stock exchange and to be sent to the shareholders of the Company.

Management’s Responsibility

2. The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor’s Responsibility

4. Our responsibility is to provide a reasonable assurance that the Company has complied with the conditions of Corporate Governance, as stipulated in the Listing Regulations.
5. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India (“ICAI”). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC 1), Quality Control for Firms that perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
7. The procedures selected depend on the auditors’ judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures include, but not limited to, verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.

8. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

9. Based on the procedures performed by us as referred in paragraph 7 and 8 above and according to the information and explanations given to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable for the year ended March 31, 2018, referred to in paragraph 1 above, except in the absence of the Chief Financial Officer (CFO), the financial statements submitted to the Board are certified by the Whole Time Director only.

Other matters and Restriction on Use

10. This Certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
11. This Certificate is addressed to and provided to the Members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this Certificate for events and circumstances occurring after the date of this Certificate.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of Rainbow Denim Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Rainbow Denim Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provision of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT”

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rainbow Denim Limited** (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of Internal Control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of Internal Control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

1. SIGNIFICANT ACCOUNTING POLICIES :

A. Basis of preparation of Financial Statements :

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“the Act”) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities, which are measured at fair value.

The financial statements up to year ended March 31, 2018 were prepared in accordance with the accounting standards notified under section 133 of the Act read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (“Indian GAAP”) and the relevant provisions of the Act as applicable. These financial statements are the first financial statements of the Company under Ind AS. Refer to note for information on first time adoption of Ind AS.

B. Current and Non-current Classification :

The normal operating cycle in respect of operation relating to manufacturing of Denim is three months. All assets & liabilities have been classified into current and non-current based on a period of twelve months.

C. Fair Value measurement :

The Company’s accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

Level-1

Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level-2

Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level-3

Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

D. Revenue Recognition :

- a. The company follows practice of accounting for all Income and Expenditure on accrual basis.
- b. Export incentives have been recognized in the year of export.

- c. Claims and damages are accounted for to the extent they are reasonably certain and determinable.
- d. Interest income is recognized on accrual basis at effective interest rate.
- e. Dividend income is accounted when right to receive is established.

E. Property, Plant and Equipment :

a. Recognition and measurement :

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and expenses incidental to acquisition and installation. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence. Cenvat Credit availed on capital goods and Interest Subsidy under TUF Scheme pertaining to pre-operative period has been credited to respective Capital Reserve Accounts. Depreciation attributable to these reserves has been adjusted there from.

Pre-operative Expenditure comprising of revenue expenditure incurred in connection with project implementation during the period upto commencement of commercial production are treated as part of project cost and are capitalized.

Adjustments arising from foreign exchange variation, attributable to property, plant and equipment, are capitalized.

b. Subsequent expenditure :

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

c. Depreciation :

Depreciation is provided on the Straight Line Method in the manner prescribed in Schedule II to the Companies Act, 2013 as applicable to the continuous process plant. Depreciation on additions/deletions is provided on pro-rata basis with the reference to the date of addition/deletion as the case may be.

Assets class	Useful life
Buildings	3, 5, 30 and 60 years
Furnitures and Fixtures	10 years
Vehicles	8 years
Computers and Peripherals	3 years
Office and Other Equipments	5 years

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 01 April 2016 measured as per the previous GAAP.

F. Impairment of Non-Financial Assets :

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing

use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

G. Leases :

Leases in which the Company does not transfer substantially all the risk and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight line basis over the terms of the relevant lease.

H. Investments :

Investments in equity shares are recorded at cost and reviewed for impairment at each reporting date.

I. Financial Instruments :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial Assets :

Initial Recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified as under :

a. Financial assets at amortised cost

A financial asset is measured at the amortised cost, if both the following conditions are met :

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. Interest income from these financial assets is included in other income using the EIR in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

b. Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI, if both of the following criteria are met :

- These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI), except for the recognition of impairment gains or losses, interest income and foreign exchange gains or losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Profit or Loss and recognised in other income/(loss).

c. Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is recognized in profit or loss and presented net in the Statement of Profit and Loss within other income in the period in which it arises.

d. Equity Instruments

All equity instruments other than investments in associates are measured at fair value. Equity instruments which are for trading are classified as FVTPL. All other equity instruments are measured at fair value through other comprehensive income (FVTOCI). The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit and loss when the Company's right to receive payments is established.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of Financial Assets

The Company applies 'simplified approach' for recognition of impairment loss on financial assets for loans, deposits and trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

De-recognition

A financial asset is derecognized when :

- the rights to receive cash flows from the assets have expired or
- the Company has transferred substantially all the risk and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risk and rewards of the asset, but has transferred control of the asset.

Financial Liabilities :

Initial Recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to short maturity of these instruments.

a. Loans and Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised

cost using Effective Interest Rate (EIR) method. Gain and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction costs. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

b. De-recognition

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reflected in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

J. Inventories :

- a. Work-in-progress are valued at the lower of cost or net realizable value. The cost is computed on weighted average method and includes cost of materials, cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition.
- b. Finished Goods are valued at the lower of cost or net realizable value. The cost is computed on weighted average method and includes cost of materials, cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition.
- c. Raw Materials and other inventories of Colours, Dyes, Chemicals, Stores, Spares and Packing Materials etc. are valued at the lower of cost or net realizable value. Raw materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realizable value. The cost of Raw Materials is computed on specific identification basis and other inventories of Colours, Dyes, Chemicals, Stores, Spares and Packing Materials etc. is computed on FIFO basis.
- d. Stock of Waste and Scrap is valued at estimated net realizable value.

K. Taxes :

The tax expense comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

a. Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantially enacted at the reporting date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

b. Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities for financial reporting purpose and the amount used for taxation purposes.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets

are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

L. Employee Benefits :

a. Short Term Employee Benefits :

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

b. Defined Contribution Plans :

The Company's contribution to Provident Fund, Pension, Superannuation and Employees State Insurance Contribution are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contribution made to the respective fund/scheme and are charged as an expense based on the amount of contribution required to be made.

c. Defined Benefit Plans :

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefits obligation is calculated annually by actuaries using the projected unit credit method. Employee Gratuity Fund Scheme is covered by Group Insurance Scheme of Life Insurance Corporation of India

Re-measurement gain and losses arising from experience adjustments, changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (OCI). They are included in retained earnings in the statement of change in equity and in the balance sheet.

d. Compensated absences :

The liabilities for accumulated leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss. The obligation for long term compensated absence is covered by Group Insurance Scheme of Life Insurance Corporation of India.

M. Borrowing Costs :

Borrowing cost that is attributable to the acquisition or construction of the qualifying assets is capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of the time to get ready for intended use.

Interest and other costs incurred in connection with borrowing of funds, which are incurred for the development of long term projects, are transferred to construction work-in- progress, as part of the cost of the project upto the time all the activities necessary to prepare these projects for its intended use or sale are complete.

All other borrowing costs are recognized as expense in the period in which these are incurred.

N. Cash and Cash Equivalents :

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

O. Provisions & Contingent Liabilities :

The Company recognizes a provision when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

P. Earning Per Share :

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Q. Custom Duty :

Liability on account of customs duty on imported materials is accounted in the year in which the goods are cleared from the customs.

R. Foreign Exchange Transactions :

- a. Foreign currency transactions which are not covered by forward contracts are accounted for at the exchange rates prevailing on the date of such transactions.
- b. Balances in the form of Current Assets and Current Liabilities in foreign currency, outstanding at the close of the year are converted into Indian currency at appropriate rate of exchange prevailing on the date of Balance Sheet. Resultant gain or loss is accounted during the year.
- c. Exchange difference in the carrying amount of the Fixed Assets due to change in the rate of exchange of Fixed Assets linked liability denominated in foreign exchange has been adjusted to the book value of the relevant asset.

USE OF ESTIMATES AND JUDGEMENTS :

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

Balances in the form of Current Assets and Current Liabilities in foreign currency, outstanding at the close of the year are converted into Indian currency at appropriate rate of exchange prevailing on the date of Balance Sheet. Resultant gain or loss is accounted during the year.

a. Recognition and measurement of defined benefit obligations :

The cost of defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuations using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

b. Fair value measurement of financial instruments :

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from the observable market, where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Changes in assumptions relating to these assumptions could affect the fair value of financial instruments.

c. Deferred Taxes :

Deferred tax is recorded on temporary differences between tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profit during the periods in which those temporary differences and the tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward periods are reduced.

FIRST ADOPTION OF IND AS :

The accounting policies set out in Note 1 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet as at April 01, 2016 (the Company's date of transition to Ind AS). In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Act ("Indian GAAP" or "previous GAAP"). The effects of the transition to Ind AS on equity and total comprehensive income are presented in this section and are further explained in the following notes.

Ind AS 101 allows first-time adopters certain exemptions/exceptions from the retrospective application of certain requirements under Ind AS. In preparing these financial statements, the Company has applied the following exemptions :

Ind AS Optional Exemptions :

Deemed cost for property, plant and equipment

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all of its property, plant and equipment at their previous GAAP carrying value and use that as its deemed cost as at the date of transition (April 01,2016).

Reconciliation :

The following reconciliations provide the effect of transition to Ind AS from previous GAAP in accordance with Ind AS 101 :

Reconciliation of total equity as at March 31, 2017 and April 1, 2016

Impact of Ind AS adoption on the Statement of Cash Flow for the year ended March 31, 2017

There were no material differences between the Cash Flow Statement presented under Ind AS and the previous GAAP.

NOTES :

- a. Under the previous GAAP, borrowings were carried at historical value. Under Ind AS, these financial liabilities have been designated as measured at FVTOCI. On the date of transition to Ind AS, these financial liabilities have been measured at their fair value, which is lower than the cost as per the previous GAAP., Fair value changes with respect to changes in liabilities designated as at FVTOCI have been recognized in Other Current Liabilities as at the date of transition and subsequently in the other income for the year ended March 31, 2017
- b. Under Ind AS, remeasurements i.e. actuarial gain and losses and the return on plan assets are recognised in other comprehensive income. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.
- c. Under Ind AS, all items of income and expenses recognized in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expenses that are not recognized in profit or loss but are shown in the statement of profit and loss as 'Other Comprehensive Income' includes remeasurements of defined benefit plans.

31.2 Risk Management framework :

The Company's principal financial liabilities include borrowing, trade and other payables. The Company's principal financial assets include loans, trade receivable, cash and cash equivalents and others. The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

31.3 Financial Risk Management :

The Company has exposure to the following risks arising from financial instruments.

- (a) Credit Risk
- (b) Liquidity Risk
- (c) Market Risk
- (a) **Credit Risk :**

Credit risk is the risk of financial loss to the Company, if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investment in inter corporate deposit and loans given to related parties.

The carrying amount of following financial assets represents the maximum credit exposure :

Trade Receivables :

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. No impairment is observed on the carrying value of trade receivables.

Other Financial Assets :

Credit risk from balances with banks, loans, investments is managed by Company's finance department. Investments of surplus funds are made only with approved counterparties. No impairment on such investment has been recognised as on the reporting date.

- (b) **Liquidity Risk :**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans and inter-corporate loans.

Exposure to Liquidity Risk :

Following are the remaining contractual maturities of financial liabilities at the reporting date.

(c) Market Risk :

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimising the return.

Currency Risk :

Currency risk is not material, as the Company's primary business activities are within India.

Interest Rate Risk :

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to risk of changes in market interest rate is not material as the Company is having fixed rate borrowings.

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss.

Commodity Price Risk :

The Company's activities are exposed to Cotton and Yarn price risks and therefore its overall risk management program focuses on the volatile nature of the Cotton and Yarn market, thus seeking to minimize potential adverse effects on the Company's financial performance on account of such volatility.

32. CAPITAL MANAGEMENT :

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of net debt and the total equity of the Company. For this purpose, net debt is defined as total borrowings less cash and cash equivalents.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirements are met through short-term/long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The Company's net debt to equity ratio is as follows :

Particulars	As at	As at	As at
	March 31, 2018	March 31, 2017	March 31, 2016
	₹	₹	₹

Debt/Equity Ratio	(0.88) : 1	(0.80) : 1	(1.00) : 1

33. CORPORATE SOCIAL RESPONSIBILITY :

During the year the Company was not required to spend any money as per the provision of section 135 of the Companies Act, 2013 towards Corporate Social Responsibility (CSR) activities.

34. Bond for ₹ 27,00,00,000 was issued against export obligation of US\$ 7,75,98,359 which is to be fulfilled by January 12, 2025 or such further extension as may be granted. The company has to fulfill balance export obligation of US\$ 97,70,658 by January 12, 2025 or such further extension as may be granted.
35. No Debts or Loans and Advances are due from Directors or Officers of the Company or from Firms or Private Companies in which any Director is a Partner, Director or Member.
36. The management is taking various steps to reduce costs, improve efficiencies to make its operations profitable and to arrange sufficient funds for its operations. In view of these, financial statements have been prepared on the basis that the Company will continue as a "going concern".
37. Segment wise details, as required by AS 17 Segment Reporting, are not furnished as the management is of the opinion that it does not have any geographical/business segment that is subject to different kind of risk, return or opportunities.
38. Figures have been rounded off to the nearest rupee.
39. Previous Year figures have been re-grouped/re-arranged, wherever necessary, to make them comparable.
